A few rules

Dont forget to fill in and enclose the entry-form with your Dunny.

Put some effort in it. If you have too rush it, better wait for the next round.

Dont send in a Dunny that you yourself wouldn't be happy to receive.

If your entry is sub standard in our eyes it will be returned to you.

If your Dunny arrives after the closing date it will be put in the next round.

You give us permission to photograph your Dunny and publish these pictures on our website and/or in print.

Shipping from the USA

In our experience the best way to send your Dunny to us is in a USPS Priority Mail International flat-rate Envelope for \$ 11. Packed in cardboard and/or some foam or bubble-wrap it will fit just fine. Send this way it usually takes about a week to arrive.

The most economical way to send your Dunny to us is by USPS First Class Mail International. If your package ways 8 oz for example the costs are \$ 7.20. Packages send this way can take more than 2 weeks to arrive on some occasions though.

The fastest way to send your Dunny to us is by Express Mail International, this way it usually takes about 3 days to arrive. The cost is \$ 25 though.
